

DLCC Spring Policy Conference, August 22-23

Event Overview

To: Legislative Attendees From: DLCC Finance Staff

Thank you so much for joining us for the Democratic Legislative Campaign Committee's Summer Policy Conference in Boston, MA.

DLCC Overview

The Democratic Legislative Campaign Committee (DLCC) is the only organization exclusively committed to winning Democratic majorities and building Democratic power in state legislatures. For over two decades, the DLCC has partnered with legislative leaders, staff, and supporters to equip legislative campaigns with the tools they need to win elections.

In the 2018 cycle, Democrats gained control of 8 chambers and flipped over 400 seats from red to blue. The DLCC set new records in fundraising, candidate recruitment, field efforts, and early investment in states and we look forward to continuing that work throughout the 2020 cycle.

Summer Policy Conference

The DLCC Summer Policy Conference is a benefit offered to our annual corporate donors, labor donors, and partner organizations as part of our Finance Council program. During the meeting, attendees have the opportunity to network with legislators and have a chance to present to attendees on the critical issues facing states.

The DLCC has had a very successful start to the 2019-2020 cycle. We raised almost \$5.3 million in the second quarter of the year and had our two largest ever off-year fundraising months. These numbers would not be possible without the participation of legislators at our events, such as the Summer Policy Conference. With your help, we will be able to make new investments in targeted states.

Expectations

In order to ensure our attendees find value in the event and continue to invest in the DLCC, it is important that the legislators in attendance are present at all events throughout the conference – policy presentations, one-on-one meetings, and the evening reception. We appreciate legislators being punctual and engaged during their one-on-one meetings as they are an important benefit that we offer to our Finance Council members.

We are so grateful to have your active participation in these meetings that make our work on state legislative races possible.

If there is a donor or partner you would be interested in connecting with after the event, please feel free to follow up with our staff and we would be happy to provide you with their contact information and advice on outreach.

Thank you!
